

REMARKS

This Amendment and Response is made in reply to the Office Action dated June 1, 2005, in which the Examiner:

objected to informalities in claims 8-10; and
allowed claims 1-11.

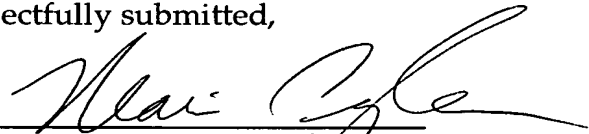

Claims 1-11 are currently pending in this application. Claims 2-11 have been amended, leaving claims 1-11 pending upon entrance of this amendment.

Regarding the objections to claims 8-10, Applicant respectfully submits that all the recitations of amended claims 8-10 have proper antecedent basis. As this addresses all outstanding rejections, Applicant respectfully requests the application be passed to issue.

Applicant respectfully submits that nothing in the current amendment constitutes new matter. Claim amendments were made in response to the Examiner's objections and to conform to current U.S. practice.

Applicant believes that no fees are due in connection with this amendment and response. If any fees are deemed necessary, please charge them to deposit account 13-0235.

Respectfully submitted,
